### *Installation Guide*

**Models covered:** CPC00/CPA00

Please keep this booklet for future Reference.

Installer: when you have read these instructions please ensure you leave them with the user.

# Installation

1. Identify all components and check for completeness.

No.	Description
1	Hand Shank
2	Plastic thread tube
3	Silicon washer
4	Plastic hexagonal nut
5	Camel arm
6	Screw
7	Ceramic handle
8	Lock joint
9	Retaining Screw

2. Remove cistern lid.

3. Loosen camel arm(5) retaining screw(9) and remove lifting arm from handle shaft.

4. To remove the old handle, loosen and remove plastic hexagonal nut(4) from the handle shaft. On some versions of cistern handles, it may be necessary to remove a split pin from the shaft first. Pull handle from cistern.

5. To fit new handle, remove camel arm(5), plastic hexagonal nut(4) and silicon washer(3) from the handle shaft.

6. Place the handle with the plastic thread tube(2) into cistern hole. Place silicon washer(3) so it is installed on the inside of the cistern.

7. Screw on the plastic hexagonal nut(4) and tighten sufficiently to hold firmly, so that the handle is positioned at a 2 o'clock direction.

8. On the syphon supplied with the cistern fittings, connect plunger hook to lifting arm in the appropriate hole so that when camel arm(5) is mounted on handle shaft it is directly above the siphon plunger.

9. Tighten retaining screw(9) on camel arm(5).

10. See next section for aftercare instruction.

---

## *Caring for your product*

---

Your fitting has a high quality finish and should be treated with care to preserve the visible surfaces.

All surface finishes will wear if not cleaned correctly, the only safe way to clean your product is to wipe with a soft damp cloth. Stains can be removed using washing up liquid.

All bath cleaning powders and liquids will damage the surface of your fitting, even the non-scratch cleaners.

---

## *Guarantee*

---

This product is manufactured to the highest standards and a 5 year guarantee covers any defect in manufacture.

In the interests of continuous product development, we reserve the right to alter specification as necessary.
